### 10. Registration Confirmation page.

Once you completed all the above steps and processes. You'll get the confirmation page as below. Now your account will be processed for activation. It may take somewhere between 30 minutes to 1 hour for you to receive an email confirmation that your Amazon Cloud Services account has been activated.

The screenshot shows the Amazon Web Services registration confirmation page. The header is dark blue with the AWS logo on the left and navigation links (Contact Sales, Support, English, My Account, Sign In to the Console) on the right. Below the header is a pink and red banner. The pink section on the left says 'Welcome to Amazon Web Services' and 'Thank you for creating an Amazon Web Services Account. We are activating your account, which should only take a few minutes. You will receive an email when this is complete.' The red section on the right contains a yellow 'Sign In to the Console' button, a link to 'Check your tax details for accurate invoicing >>', and a white 'Contact Sales' button.
